Conditions of Entry

107 Projects provides a welcoming, safe and inclusive space for people to come together. We expect these values to be displayed by audience and community members attending our events.

- Respect every person, everyone's space and personal property
- Secure your valuables - they are your responsibility.
- Supervise children at all times.
- No glassware is permitted to be used in the park or event area.
- No smoking permitted in the park or event area, you may exit and go to the designated smoking areas on the opposite side of Joynton Avenue Creative Centre (Hansard Street).
- No dogs or pets - we love animals, but on this occasion do not bring them to the event (excluding assistance animals).

Look after the Earth - Sustainability

- Reduce your waste, bring less and take what you can away with you.
- Reduce your use of soft and single use plastics
- Tap water provided, bring your own bottle to fill up. We will not have single use plastic or cups available.
- Separate your rubbish as directed - general waste (red lid - landfill), hard plastic and recyclables (yellow lid - e.g. cans), and paper/ cardboard (blue lid).
- Be considerate of the garden beds and plants surrounding the park, ensure they do not get damaged or stepped on - use designated pathways.

Wet Weather

There is a wet weather plan - in the event of rain or poor weather conditions, the event will occur in Joynton Avenue Creative Centre's Outdoor Room, underneath the wooden arches. This will mean a reduced capacity of seating available; first in, first served.

In An Emergency

Please follow directions of 107 Projects event staff.
The Assembly meeting point is the playground, found on the Portman Street side of Matron Ruby Grant Park, next to Buku Cafe.

Thank you!
